Beginning in February 2008, America and the world will celebrate the 200th anniversary of the birth of Abraham Lincoln - a man many consider to be the greatest leader in American history. As Lincoln's birth state, Kentucky will play a pivotal role in the bicentennial commemoration.

Lincoln-related programming will occur in communities across the commonwealth. Planned initiatives include educational programs, museum exhibitions, public art, community celebrations, speakers, classroom resources, preservation initiatives, and more.
